

EMBRACE YOUR SMILE FOR LIFE

Lifetime Smile Retention Program

WHAT IS RETENTION & WHAT DO I DO NEXT?

Teeth can move at any time in your life! Now that you completed orthodontic treatment, we want to keep your new smile where it is!

After completion of treatment, we will schedule you back in approximately 1.5 weeks to pick up your new, custom-printed retainer.

It is very important to wear your new retainer full-time, only taking it out to eat, drink & brush your teeth, for 2 weeks. After 2 weeks, you can switch to wearing it just at night.

Keep your retainers clean by brushing them consistently with mouthwash or toothpaste. Take your retainers out before eating and drinking anything except water!

Call us immediately if your retainers get lost or broken! If you go too long without wearing them, your teeth can move! Keep them away from pets and be sure not to throw them away!

WHAT ARE THE OPTIONS FOR RETENTION?

1 LifeTime Subscription Plan - \$500

LIMITED TIME TO ENROLL! WINDOW CLOSES 1 WEEK AFTER COMPLETION OF TREATMENT AT WHICH TIME THE PRICE INCREASES TO \$600.

In addition to the set of retainers that is given to you at completion, you will receive a second, back-up set at no charge. (\$310 value).

If you ever need or want a replacement, you will only be charged a \$50/retainer co-pay for each replacement retainer. No limits!

*co-pay may increase 3.5% annually

If you haven't worn your retainer in 3+ weeks, your digital teeth may not match your real teeth and a new scan is needed; there is an additional co-pay of \$50 for the new scan. (\$50/retainer + \$50 for the scan)

2 À la Carte (no subscription)

You will receive one set of complimentary retainers at treatment completion.

If you would like an extra set **at completion**, the fee is \$250. (\$60 savings).

Each replacement retainer is \$155/retainer (\$310 for a set).

HOW DOES THE SUBSCRIPTION PLAN BENEFIT YOU?

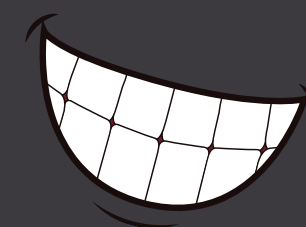

1 More Cost Effective

Each set of replacement retainers that you order after the initial set you are given at debond saves you \$210 (per pair)!

2 Less Trips to the Office

If you lose or break your retainer (or just want a fresh new one), you can just give us a call, pay the co-pay and we will order it and even mail it to you if you prefer.*

3 Lifetime Retention

You worked hard to get the smile that you love! This program helps you keep that smile for life!

*as long as you have worn retainers in the last three weeks
